## Obituary

*Sister Jacqueline Perry* was born at Kaiser Hospital in San Francisco, California, on December 14, 1949, to the parents of Mr. Leon and Mrs. Ruby Alice Smith Perry. To this union were born two daughters, Veronica and Jackie. Her parents and Veronica preceded her in death.

As a child, Sister Jackie's father would bring her to a church where he served as a deacon at Bethlehem Church of God in Christ in San Francisco. The late Pastor Garlin Bluford would later name his father's church to Bethel Cathedral COGIC. After being away from the church for many years, Sister Jackie returned in 2009 and accepted the Lord Jesus into her life. Since that time, she became and remained very dedicated and committed to going to church praying, singing, and crying with joy about how the Lord had saved her from sin, and especially testifying about how God had delivered her from many struggles for 20 years! She was a member of E.B. Stewart COGIC (Oakland), Pastor Robert Collier. She also worshipped and fellowshiped over the years with Commonwealth COGIC (Oakland) - Pastor Charles Smith; James Memorial COGIC (SF) - Pastor Lodgie James; Little Flock COGIC (Redwood City) - Pastor E.J. O'Neal and with other churches in the Bay Area. She loved to sing or listen to congregational songs such as: "He's Real, He's Real, Jesus is Real to Me!," "I'm So Glad that the Lord Saved Me!," and "Oh Lord, I Want You to Help Me!"

Sister Jackie, also known as Nana, graduated from Balboa High School in San Francisco. She gave birth to only one child, a daughter by the name of Delashawn Chumley. She worked at various occupations and places: UPS; Kaiser Hospital in San Francisco; a bus driver for Sam Tram in San Mateo and East Palo Alto; a construction worker at famous construction sites. At one time, she owned and drove a BMW stick shift.

Sister Jackie Perry departed this life on Sunday, January 20, 2019. She leaves to celebrate her Homegoing and cherish her memory: her beloved daughter, Delashawn Chumley; three grandchildren: Anthony Lucas, Derrick McCroey Jr, and Synfanye McCroey; one great grandchild, Alayah Lucas; and many more family, friends, and saints in many churches in the Bay Area.

Til God called her home to suffer no more.  
A peaceful life that came to an end;  
She died as she lived; everyone a friend.*
